PRP Annex 9 v.3 draft.docx

Hi Nancy.

Here's the latest draft of the PRP for your review and editing purposes. I believe we agreed to have final edits incorporated by 11/27 in order to share the draft more broadly with our A9 sub-committee. I will plan to get out a "save the date" to A9 sub-committee members next Monday, per the direction of our co-chairs. I think we can share meeting materials on 11/30, assuming we hit our target deadlines.

Please let me know if you have any further questions or if you all need anything from us in the interim.

Best,

Heather
